

Innovation. Passion. Commitment.

SEC - HAHS 2

FEATURES

- Fully automatic dispenser.
- Contact less operation for increased hygiene.
- Microcontroller based advanced sensor and controller.
- Fixed dispensing time to avoid wastage of sanitizer.
- Large 8 litre tank, easy to refill.
- Mist spray for higher coverage area.
- 24V DC operation with external mains power adapter for user safety.
- Power LED and dispensing light indicator.

TECHNICAL SPECIFICATIONS

Weight	: 5.6 kg
Tank capacity	: 8 ltr
Sanitiser dispense volume	: 1.5ml
Material	: ABS
Sensor	: Microcontroller based IR sensor
Sensing range	: 3-6 cm
Power input	: 24V DC, 1.5amp from external adapter
Mounting	: Wall mount
