

Innovation. Passion. Commitment.

SEC VDP7D CW

FEATURES

- Panel is made of cast-aluminum in order to be anti-vandal and waterproof.
- B/W CCD is with IR LED or Color SONY CCD is with white LED to ensure clear image at night.
- PCB boards are produced with SMT technology to ensure high quality.
- Surface or flush mounted.
- With a pin-hole camera inside.
- To call & talk with indoor phone.
- Accepted to be connected with all kinds of Electric lock, door open time is lasting 5 seconds.

TECHNICAL SPECIFICATIONS

Camera	1/3" CCD (SONY Camera)
Resolution	480 TVL
Min. illumination	0.01 Lux
Video Output	1VP-P/75Ω
Intercom Limited	60 Sec
Lens Type	M14
Day & Night	Yes, White LED
Audio SNR	≥35dB
Audio Distortion	≤7%
Working Current	410mA
Static Current	160mA
Power Supply	DC12V±10%
IP Rating	54
Environment Temperature	-40°C ~+70 °C
